Dear Donor,

We are contacting you on behalf of the St. John's Lutheran School committee for the annual Harvest Event Benefit Auction. The Harvest Event is St John's Lutheran School's flagship fundraiser. This event is set for November 14th at the Silverado Resort in Napa, California. Over the years, this fundraiser has proven to be an exciting and popular event in the Napa Valley community.

St. John's Lutheran School, located in Napa, California, offers a preschool through 8th grade education. We are privately supported and depend upon fundraising events to maintain our academic excellence and improve enrichment programs such as music, art, sports, and technology. We also provide financial aid to make our school more accessible to families in the community. This year, the school has several specific funding needs that include upgrades for our computer lab, outfitting all classrooms with Smart Boards, and remodeling the pre-school with improved acoustics.

We are reaching out to you for a donation for our Live and Silent Auctions. We are seeking donations such as wine, services, gift certificates, retail goods, event tickets, tours, etc.

We know that you receive many requests to donate to worthy causes. The success of the Harvest Event depends on donor participation. In return, all our donors will be credited in our catalog, web site, and other advertising. A member of the Harvest Event committee will call you shortly to follow up on our request. The school's tax ID number is **94-6001864** and a donation form is enclosed.

Best regards,

Christine Matulich
