News from the Principal's desk

Dear Parents,

I pray you and your family had a blessed Easter and a wonderful Spring Break!

Spring has definitely bloomed on campus. Not only are the trees budding and the birds building nests, our calendar has blossomed as well. Please check the weekly Friday Note to see all of the new updates.

With less than two months left in the school year, I want to remind parents to please avoid having your child miss school. There is a lot going on as we get close to the end of the year, and we want to make sure we maximize the learning opportunities your child is afforded at St. John's. Also, please remember that teachers need two weeks' notice for a planned absence.

What a wonderful day Wednesday was in the Principal's Office as we had three special Principal's for the Day. Reese, Mae, and Lucy Daw had a very successful day. Please read about their day, in the own words, on page 3 of this Friday Note, as our Principal's for the Day each summarized their experience. These positions were made possible via the auction for the APT Main Event.

Blessings to you and your family!

Theme Song “Live Love(d)”

This year’s school theme is “Live Love(d).

Here is the theme song written by Pastor Mike based on our theme verse, Ephesians 5:1-2. We are dearly loved by our saving God. That love is seen most concretely in the life, death and resurrection of Jesus Christ for us. Our Lord wants us to live each day in the awareness that we are indeed loved by Him. In other words, He wants us to “live loved.” We respond to this gracious love by loving those around us. The love that we have received from God is echoed in the love we give to others. In other words, we are to “live love.” This song combines both of these thoughts in one title with the “d” in parentheses.”

Principal For a Day

On Wednesday, April 10, 2024, Reese, Mae, and Lucy Daw served as the Principal for the Day at SJL. They won this opportunity at the APT Main Event. Here is how their day went in their own words.

My day as a principal

Today when I was the principal with my sisters and I, we first greeted the students at the gate. then, we went to Chapel and made a couple announcements. Then, we went into fifth grade and did math. After that, we supervised kindergarten through second grade recess and we went to preschool and helped them with things. they did a dance for us. After we helped preschool, we went to put out the lost and found and visited the classrooms. We also went to fifth grade and supervised their cursive class and study hall. Lastly, we helped assist with dismissal. That is what I did with Dr. Wood.

Principal for the day

On April,19,2024, my sisters and I got to be Principal for the Day. First, I greeted students at the gate. Then, we went to chapel and I got to make an announcement. I went and did math and it was the only subject I had to do all day. I went into preschool, and I helped them dance the birthday dance even though no one had a birthday today. Then, we hung up all the jackets and coats from lost and found in Faith Chapel. We ate habit. I got a cheese burger and a sprite. Next, we helped in preschool. Finally, we assisted with dismissal.

Today, I got to be the principal with my sisters. In chapel, I got to announce that we have pizza lunch on Thursday. Dr. Wood made me a schedule for the day and business cards and a name tag. we had Habit burger for lunch. I love being principal. It is sooo fun here I want to stay in this job forever. Thank you Mom and Dad for making this happen. -Lucy (Grade 2)

Chapel Offerings

One of our goals at St. John's Lutheran is to help students grow in a Biblical view of the stewardship of the gifts God gives us. Each week, we collect an offering as part of our Chapel worship service. The Offering is an opportunity to share a part of the financial gifts God gives us for His ministry on earth and the benefit of other worthy organizations that we support. Each month, we donate our chapel offerings to a selected organization.

Chapel offering for the months of April and May will be going to the Garuna Foundation. The mission of the Garuna Foundation is to support and encourage the proclamation of the grace, mercy and compassion of Jesus Christ to the peoples of Thailand, Cambodia and surrounding countries.

"...The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into His harvest field. "

Get ready to dive into friendship with God! We are heading on a Scuba mission this summer in hopes of seeing all the wonderful things that live in the deep blue sea! Through singing & dancing, arts & crafts, games, snacks, and an awesome Bible Discovery we will learn all about God and his great love for us. Our hope each year is that the kids show up excited for a great time with their friends and leave here knowing just how magnificent God truly is and how special he has created them to be. It's impossible for us to make this happen without each and every volunteer that dedicates their time to this mission. Please prayerfully consider serving as a volunteer to make this week truly unforgettable for the kids.

You can sign up as a volunteer as well as register your child [here](#).
