News from the Principal's desk

Dear Parents,

St. John's will be hosting the annual Knowledge Bowl on campus next Thursday. If you are interested in watching the Knowledge Bowl in person, it will begin at 3:30 p.m. in the Sanctuary. It would be great to have you come out and support our Eagles!

We will be celebrating HERO week at SJL April 29-May 3. The H.E.R.O. Program is the first age-appropriate and trauma-informed curriculum to help PreK-12 students and teachers prevent and survive violent events in their schools and communities.

Thank you for your prayers on behalf of our 6th Grade Outdoor Education experience. The students had a wonderful time and learned so much! Thank you to all of the chaperones who accompanied them and made the experience a great one for the students (and Mrs. Koen)!

Blessings to you and your family!

Theme Song “Live Love(d)”

This year’s school theme is “Live Love(d).

Here is the theme song written by Pastor Mike based on our theme verse, Ephesians 5:1-2. We are dearly loved by our saving God. That love is seen most concretely in the life, death and resurrection of Jesus Christ for us. Our Lord wants us to live each day in the awareness that we are indeed loved by Him. In other words, He wants us to “live loved.” We respond to this gracious love by loving those around us. The love that we have received from God is echoed in the love we give to others. In other words, we are to “live love.” This song combines both of these thoughts in one title with the “d” in parentheses.”

Chapel Offerings

One of our goals at St. John's Lutheran is to help students grow in a Biblical view of the stewardship of the gifts God gives us. Each week, we collect an offering as part of our Chapel worship service. The Offering is an opportunity to share a part of the financial gifts God gives us for His ministry on earth and the benefit of other worthy organizations that we support. Each month, we donate our chapel offerings to a selected organization.

Chapel offering for the months of April and May will be going to the Garuna Foundation. The mission of the Garuna Foundation is to support and encourage the proclamation of the grace, mercy and compassion of Jesus Christ to the peoples of Thailand, Cambodia and surrounding countries.

"...The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into His harvest field. "

Get ready to dive into friendship with God! We are heading on a Scuba mission this summer in hopes of seeing all the wonderful things that live in the deep blue sea! Through singing & dancing, arts & crafts, games, snacks, and an awesome Bible Discovery we will learn all about God and his great love for us. Our hope each year is that the kids show up excited for a great time with their friends and leave here knowing just how magnificent God truly is and how special he has created them to be. It's impossible for us to make this happen without each and every volunteer that dedicates their time to this mission. Please prayerfully consider serving as a volunteer to make this week truly unforgettable for the kids.

You can sign up as a volunteer as well as register your child [here](#).
